Regulations governing Hobbie Trust Grant awards:

Hollins University and the Warrant W. Hobbie Trust have established a fund for undergraduate student projects. This fund provides financial grants for experiential learning opportunities. Each project receiving funding must engage issues of values or ethics. Service-learning experiences and internships will be considered for funding, as will student-initiated projects for collaborative study with faculty on a specific ethical issue.

Each project funded will involve physical or mental labor; each will result in a concrete written or oral presentation or performance, as required by the faculty sponsor to assess the learning experience. Student grants will be awarded on the basis of merit alone; the student's financial aid status will not be a consideration.

The deadline for grant applications:

October 20, 2006 (for grants awarded on project to be completed before June 30, 2007)

Send applications to: Prof. Pauline Kaldas (English)
